Bad, Bad Girl (Album Version)

Par Krokus

Album : Heart Attack

There's a girl in the heart of the city
Loves the motion in the heat of the night
Lying there all alone, so beautiful
Won't admit it, but she likes to have a real good time
The first time we met, she was dancing so sweetly
Turning me on, rubbing her body against me
She sang to the song and she whispered, seduced me
Before we knew it, we were having a real good time

Bad, bad, bad girl

So free, you're mine

Bad, bad, sweet girl

You were asking for more

Forever

Oh, you're driving me insane

Killed a body in the pouring rain

Just like a mannequin, a fortune baby

Feel so high on you

I'm in the news

I'm the news, I'm the news, yeah

But no one so silent too

But no one so silent too

No, no, no, no, no, no

We're having a real good time

Baby, you're mine

Bad, bad, bad girl

So free, you're mine

Bad, bad, sweet girl

You were asking for more

Forever

Forever
