In My Arms

Par Kylie Minogue

Album : Aphrodite Les Folies: Live in London (2CD+DVD) [CD1]

How do you describe a feeling?

I've only ever dreamt of this

DJ's spinning up my favorite song

Hurry up and get a groove on

Light fantastic and it won't be long

Don't let the moment slip away

'Cause you and I could find a pleasure

No one else has ever known

Feels like it is now or never

Don't wanna be alone

How does it feel in my arms?

How does it feel in my arms?

Do you want it?

Do you need it?

Can you feel it?

Tell me!

How does it feel in my arms?

Got a feeling this is something strong

All I wanna do is move on

No more wondering where I belong

So never go away

'Cause you and I are guilty pleasure

No one else has ever known

Feels like it is now or never

Don't wanna be alone

How does it feel in my arms?

How does it feel in my arms?

Do you want it?

Do you need it?

Can you feel it?

Tell me!

How does it feel in my arms?

Do, do, do, oh yeah, yeah

Do, do, do, oh yeah, yeah

I'm listening

How does it feel in my arms? (How does it feel in my arms?)

How does it feel in my arms? (Yeah, Yeah)

Do you want it?

Do you need it?

Can you feel it?

Tell me!

How does it feel in my arms?
