Sabotage

Par Laufey

Album : A Matter Of Time

I get in my head so easily

I don't understand, I'm my worst enemy

You assure me you love me

And seal it with a kiss

I can't be convinced

It's just a matter of time 'til you see the dagger

It's a special of mine to cause disaster

So prepare for the impact, and brace your heart

For cold, bloody, bitter sabotage

I swear that one day, I'll marry you

I'll get in the way, just like I always do

You assure me you love me

Your message won't go through

Why won't it go through?

It's just a matter of time 'til you see the dagger

It's a special of mine to cause disaster

So prepare for the impact, and brace your heart

For cold, bloody, bitter sabotage
