Wearing Black!

Wearing Black!

Wearing Black!

Wearing Black!

Wearing black to the pride parade

ACAB, but the gays are OK!

Wearing black to the pride parade

I love the faggots, I love the gays

Wearing black to the pride parade

ACAB, but the gays are OK!

Wearing black to the pride parade

I love the faggots, I love the gays

Jojo Siwa is playing at 2

She's got that karma and some Tito's, too

The sun is shining, it's a beautiful day

All the queens are coming out to play

Leather Daddies and Diesel Dykes

They're all here, and they're riding their bikes

Chicago pride fit check, makeup reveal

Rhinestones are the theme of the year

Wearing black to the pride parade

ACAB, but the gays are OK!

Wearing black to the pride parade

I love the faggots, I love the gays

Wearing black to the pride parade

ACAB, but the gays are OK!

Wearing black to the pride parade

I love the faggots, I love the gays

4:30 at the Gingerman

Meet Toby there, that's the plan

A bunch of gays getting drunk in the street

A bunch of gays doing really gay things

I'll wear my rainbow another day

My pride's a riot, it's not a parade

Too much Molly and the Spirit Brigade

I'll see you there at the front of the stage!

Wearing black to the pride parade

ACAB but the gays are OK!

Wearing black to the pride parade

I love the faggots, I love the gays

Wearing black to the pride parade

ACAB but the gays are OK!

Wearing black to the pride parade

I love the faggots, I love the gays

Wearing Black!

Wearing Black!

Wearing Black!

Wearing black to the pride parade

ACAB but the gays are OK!

Wearing black to the pride parade

I love the faggots, I love the gays
