Open Up

Par Leftfield / Lydon

Album : The Best Anthems. Ever!

Burn burn, burn burn

Burn burn burn

Open up, now open up

You lied, you faked, you cheated, you changed the stakes

Magnet toss that pie in the sky, unrehearsed, let the bubbles burst

All in all, a three-ring circus of unity with parody

Tragedy or comedy, probably publicity

Open up, make room for me

Now open up, make room for me

Lose myself, inside your schemes

Go for the money, honey, not the screen

Be a movie star, blah blah blah

Go the whole hog, be bigger than God

Burn Hollywood burn, taking down Tinseltown

Burn Hollywood burn, burn down into the ground

Burn Hollywood burn, burn Hollywood burn

Take down Tinseltown, burn down to the ground

Down, into the ground

Burn burn burn

Burn burn burn

Burn burn burn...
