Lucky Number

Par Lene Lovich

Album : Stateless

Ah-dee, ah-dee, ah-dee, ah-dee

Ah-dee, ah-dee, ah-dee, ah

I never used to cry 'cause I was all alone

For me, myself and I is all I've ever known

I never felt the need to have a hand to hold

In everything I do, I take complete control

That's where I'm coming from

My lucky number's one

I've everything I need to keep me satisfied

There's nothing you can do to make me change my mind

I'm having so much fun

My lucky number's one

Ah-oooh! Ah-oooh!

I, I, I, I, I

I now detect an alien vibration here

There's something in the air besides the atmosphere

The object of the action is becoming clear

An imminent attack upon my heart, I fear

The evidence is strong

My lucky number's wrong

Ah-ooh! Ah-ooh!

Something tells me my lucky number's gonna be changing soon

Something tells me my lucky number's gonna be

Owee, owee, owee, owee, owee, owee, owee

You certainly do have a strange effect on me

I never thought that I could feel the way I feel

There's something in your eyes gives me a wild idea

I never want to be apart from you, my dear

I guess it must be true

My lucky number's two

This rearrangement suits me now, I must confess

The number one was dull and number two is best

I wanna stay with you

My lucky number's two

Ah-ooh! Ah-ooh!
