Lessons In Love

Par Level 42

Album : Chart Attack

I'm not proud, I was wrong and the truth is hard to take
I felt sure we had enough but our love went overboard
Lifeboat lies lost at sea I've been trying to reach your shore
Waves of doubt keep drowning me

All the dreams that we were building

We never fulfilled them

Could be better, should be better

For lessons in love

For restless eyes, egos burn and the mold is hard to break
Now we've waded in too deep and love is overboard
Heavy hearts token words all the hopes I ever had
Fade like footprints in the sand

All the homes that we were building

We never lived in

Could be better, should be better

Lessons in love

If we lose the time before us

The future will ignore us

We should use it, we could use it, yeah

Lessons in love

Lost without love

Lessons in love

When will you ever learn

Lessons in love

When there's nowhere left to turn

Lessons in love

Don't let your spirit burn

Lessons in love

I'll wait 'till you return

All the dreams that we were building

(Yeah, yeah, yeah)

We never lived them

We could lose it, we should use it

(Lessons in love)

Lessons in love

All the homes that we were building

We never lived in

Could be better

(Could be better)

Should be better

(Yeah, yeah)

Lessons in love

If we lose the time before us

The future will ignore us

We should use it, we could use it

(Good God)
