AM I DREAMING (feat. Miley Cyrus)

Par Lil Nas X

Album : MONTERO (With Commentary)

Every song, every dream filled with hell from beyond

As I'm sinkin', I relive the story

Every try, every breakthrough, and every cry

As I'm sinkin', I relive the story

Oh-oh-oh, never forget me

And everything I've done

Oh-oh-oh, never forget me

Like I'm your favorite song

I'm fadin', replayin'

These thoughts I thought while sinkin' down

Oh-oh-oh, never forget me

And everything I've done

Tears running dry, shattered inside, but I still gotta smile

As I'm sinkin', I relive the story

Glitter comes off, battered and blue, but I gotta go on

As I'm singin', I rewrite my story

Oh-oh-oh, never forget me

And everything I've done

Oh-oh-oh, never forget me

Like I'm your favorite song

I'm fadin' (fadin'), replayin'

These thoughts I thought while sinkin' down

Oh-oh-oh, never forget me

And everything I've done
