Yeah, uh

Woah

Yeah

She wanna go viral

We fuckin' for hours

That pussy got power

That pussy got power

She wet in the shower

That pussy get louder

Waste ain't no coward

**Go for an hour**

**She cleanin' the powder**

**She wanna go viral**

**We fuckin' for hours**

**That pussy got power**

**That pussy got power**

**She wet in the shower**

**That pussy get louder**

**Waste ain't no coward**

**Go for an hour**

**She cleanin' the powder**

I'm beating it up

She give me face while I'm reading the blunt

She got that cake and I needed a slice

I hit from the back and I'm deep in the guts

This ain't a Jeep but I keep it in tuck

She got that water, I keep in the cut

I'm not a plumber but I got the pipe

So I'm fitting it up, yeah

**She wanna go viral**

**We fuckin' for hours**

**That pussy got power**

**That pussy got power**

**She wet in the shower**

**That pussy get louder**

**Waste ain't no coward**

**Go for an hour**

**She cleanin' the powder**
