### Get Low

Par Lil Tsuki

*Album : Get Low*

Take a step back, have a seat

Watch me break that

Camaro, cruise around the block gotta kick that

Got me bad bitches and they never stop shake that

Got me hunnid bands also stacking up some hunnid racks

**Get low, get low**

These bitches down bad

**Get low, get low**

She like I lick that

**Get low, get low**

These haters be mad

**Get low, get low**

Well I said fuck that

Nowadays I get what I want and never looking back

I'm the man, who will keep the bag

And money for the sad

Wait, my ex calling back

Why the fuck she tryna do

Wait, I on wanna cheap snack

Cuz I gotta big rackz

I got new one and u can call her Madison Beer

She tryna flirt and then she tryna bite on my ear

Jangan coba marah ingat Mario punya nama

D-R-A-C-O, Draco gang on your Area

Tension's gettin' hot as I hit the flow

Girls wanna get low, give me triple blow

But I wanna got me a girl like Luxiboo

Verse dope like JID, I'm like "hasta luego"

She said my dick taste like blueberry faygo

Shit don't test me

And now I'm fuckin' lotta bouncing

Another fuckin' to the F

I'm on her, fuck she tryna' bend shit

And now I be lickin' on the bitch

She now be lickin' on this dick

I fall on bitches

Now I'm fucked

She been falling, fall apart

Hop up in the Bendz

I'm too grotesque looking, looking like a pig

Ain't that kinda pig, ain't no fuckin' snitch

She be want my love

Baby, on your knees
