Not Fair - Lily Allen

Par Lily Allen

Album : 821 Greatest Hit Singles of the 2000s FLAC

Oh, he treats me with respect, he says he loves me all the time
He calls me fifteen times a day, he likes to make sure that I'm fine
You know I've never met a man who's made me feel quite so secure
He's not like all them other boys, they're all so dumb and immature

There's just one thing that's getting in the way

When we go up to bed, you're just no good, it's such a shame

And I look into your eyes, I want to get to know you

And then you make this noise, and it's apparent it's all over

It's not fair and I think you're really mean

I think you're really mean, I think you're really mean

Oh, you're supposed to care, but you never make me scream

You never make me scream

Oh, it's not fair and it's really not ok

It's really not ok, it's really not ok

Oh, you're supposed to care

But all you do is take

Yeah, all you do is take

Oh, I lie here in the wet patch, in the middle of the bed

I'm feeling pretty damn hard done by, I spent ages givin' head

Then I remember all the nice things that you've ever said to me

Maybe I'm just overreacting, maybe you're the one for me

There's just one thing that's getting in the way

When we go up to bed, you're just no good, it's such a shame

And I look into your eyes, I want to get to know you

And then you make this noise, and it's apparent it's all over

It's not fair and I think you're really mean

I think you're really mean, I think you're really mean

Oh, you're supposed to care, but you never make me scream

You never make me scream

Oh, it's not fair and it's really not ok

It's really not ok, it's really not ok

Oh, you're supposed to care, but all you do is take

Yeah, all you do is take

There's just one thing that's getting in the way

When we go up to bed, you're just no good, it's such a shame

And I look into your eyes, I want to get to know you

And then you make this noise, and it's apparent it's all over

It's not fair and I think you're really mean

I think you're really mean, I think you're really mean

Oh, you're supposed to care, but you never make me scream

You never make me scream

Oh, it's not fair and it's really not ok

It's really not ok, it's really not ok

Oh, you're supposed to care, but all you do is take

Yeah, all you do is take
