Break Stuff

Par Limp Bizkit

Album : N 2 Gether Now

It's just one of those days

When ya don't wanna wake up

Everything is fucked

Everybody sucks

You don't really know why

But you wanna justify

Rippin' someone's head off

No human contact

And if you interact

Your life is on contract

Your best bet is to stay away, motherfucker

It's just one of those days

It's all about the "he says, she says" bullshit

I think you better quit, lettin' shit slip

Or you'll be leavin' with a fat lip

It's all about the "he says, she says" bullshit

I think you better quit, talkin' that shit

It's just one of those days

Feelin' like a freight train

First one to complain

Leaves with a blood stain

Damn right, I'm a maniac

You better watch your back

'Cause I'm fucking up your program

And if you're stuck up, your just lucked up

Next in line to get fucked up

Your best bet is to stay away, motherfucker

It's just one of those days

It's all about the "he says, she says" bullshit

I think you better quit, lettin' shit slip

Or you'll be leavin' with a fat lip

It's all about the "he says, she says" bullshit

I think you better quit, talkin' that shit punk

So come and get it

I feel like shit

My suggestion is to keep your distance

'Cause right now I'm dangerous

We've all felt like shit

And been treated like shit

All those motherfuckers who want to step up

I hope ya know I pack a chainsaw

I'll skin your ass raw

And if my day keeps goin' this way, I just might

Break somethin' tonight

I pack a chainsaw

I'll skin your ass raw

And if my day keeps goin' this way, I just might

Break somethin' tonight

I pack a chainsaw

I'll skin your ass raw

And if my day keeps goin' this way, I just might

Break your fuckin' face tonight!

Give me somethin' to break!

Give me somethin' to break!

Just give me somthin' to break!

How 'bout your fuckin face!

I hope ya know I pack a chainsaw (what)

A chainsaw (what)

A motherfuckin' chainsaw (what)

So come and get it

It's all about the "he says, she says" bullshit

I think you better quit, lettin' shit slip

Or you'll be leavin' with a fat lip

It's all about the "he says, she says" bullshit

I think you better quit, talkin' that shit punk

So come and get it
