Stronger Every Minute (Cyprus)

Par Lisa Andreas - [EMG]

Album : *Eurovision Song Contest Istanb*

No matter where I am

I'm always thinking of you

It may be hard,

but I need you to understand

That I don't often say what I feel

But now this is straight from my heart

My love grows stronger every minute

And it won't ever die

I want you to stay with me

Not just this day

But for all my life

Now when I look into your eyes

I can tell there's something wrong

You're holding back the tears

Couldn't bear to lose you now

So I will make my feelings clear

My love grows stronger every minute

And it won't ever die

You must believe

I'll always be there for you

All my life

Oh please, stay

Mmm...

My love grows stronger every minute

And it won't ever die

I want you to stay with me

Not just this day

But for all my life

Oh please, stay
