Album : Falling Water

Four days on the floor

I've seen this place before

The sign is on the door, I need you

The light shades down the fence

I leave my time and sense

'Cause I don't even fall

Through your open door

Why won't you help me to understand

Why I can't keep my faith in love?

Why won't you lend me a helping hand?

I think I need a push and a shove

Help me to understand

Why I need you

Why I need you

So bad, oh, so bad

Sunshine can be cruel

You try to keep your cool

But all I ever said

I need you

And lose all I can't hold

And lately I've been so cold

And I won't even fall

Through that open door

Why won't you help me to understand

Why I can't keep my faith in love?

Why won't you lend me a helping hand?

I think I need a push and a shove

Help me to understand

Why I need you

Why I need you

So bad, oh, so bad

Help me to understand

Why I need you, oh so bad

Help me to understand

Why I need you, oh so bad

Help me to understand

Why I need you, oh so bad

Help me to understand

Why I need you

I need you

I need you

I need you

God, I need you
