You Dance Just Like Me

Par Lisa Miskovsky

Album : Falling Water

Once was lost, now it's over

I greet the morning, I believe it was the light

Once was lost, now it's over, without a warning

I believe it was the night

'Cause I feel so lost when you're mine

You can no longer give me that sign

'Cause you dance just like me, yeah

Just like me

I can't see 'cause I'm blinded by the ocean

That you once gave to me

Why can't I be alone? I get a notion

That it wasn't meant to be

But it's easy to see when you're blind

You can hear me when I make that sound

'Cause you dance just like me, yeah

Just like me

You can see with no eyes

You can feel that wind blow

Through the streets with no lights

When you feel that you're over and out

When you need someone there through the night

And I can guide you through fire and ice
