The Night Owls

Par Little River Band

Album : Rock & Pop Diamonds 1981

There is a bar right across the street

He's got a need he just can't beat

Out on the floor he shuffles his feet away

He'll get the girl 'cause he looks so fine

He's gonna win her every time

He knows he will, he's dressed to kill, he's a night owl

Move on, there's a howl of a night owl calling

To belong, she's crying in the night

Be strong, find the heart of a night owl falling

Stay up till dawn until the night has gone

What will become of the restless kind

Where do they go when they've done their time

Wearing their hearts out on the line for all to see

Must be the gypsy in their soul

They have a need to rock and roll

They always will, they're out there still

They're the night owls

Move on, there's a howl of a night owl calling

To belong, she's crying in the night

Be strong, find the heart of a night owl falling

Stay up till dawn until the night has gone

There is a bar right across the street

He's got a need he just can't beat

Out on the floor he shuffles his feet away, yeah, yeah

He'll get the girl 'cause he looks so fine

He's gonna win her every time

He knows he will, he's out there still, he's a night owl

Move on, there's a howl of a night owl calling

To belong, she's crying in the night (the night goes on and on)

Be strong, find the heart of a night owl falling

Stay up till dawn until the night has gone
