Lost In My World

Par Los Dug Dug's

Album : Los Dug Dug's

Lost in my world

Lost in this funny world

Living with people

People that is hard to know

I said whoa, whoa, whoa, lost in my world

I said whoa, whoa, whoa, lost in my world

Lost in my world

Hiding from people

Knowing their truth

Having a soul without love

I said whoa, whoa, whoa, lost in my world

One more time, I said whoa, whoa, whoa

Lost in my world

Lost in my world

Always the same world

Waiting for help

Waiting but it doesn't come

I said whoa, whoa, whoa, lost in my world

I said whoa, whoa, whoa, lost in my world

Lost in my world

Made me be stronger

All of the time is the same

Living their evil ways

I said whoa, whoa, whoa, lost in my world

One more time, I said whoa, whoa, whoa

Lost in my world
