Just Between You And Me

Par Lou Gramm

Album : Munich City Nights Vol. 32 (2.Serie)

Staring at each other with accusing eyes keep our voices low

Don't act surprised

If the word gets out, yeah, that's alright

I know you're just looking for some sympathy

but listen you don't know how it gets back to me

You're getting reckless girl, but that's alright

Don't you know that one cold word is going to lead to another

and then we'll have nowhere to go

Even if heaven and earth collide tonight

we'll be all alone in a different light

I don't care what the world can't see

It's just between you and me

I see telltale signs of a love in decline
There should be something to say
but we don't take the time
and I don't understand, but that's alright
Now you can turn the page or you can tear me apart
Don't make an open book out of my private heart
You should know better now, but that's alright

Don't you know that one cold word is going to lead to another

and then we'll have nowhere to go

Even if heaven and earth collide tonight

we'll be all alone in a different light

I don't care what the world can't see

It's just between you and me

If we don't work this out we won't recover
We'll lose this soulful love for one another
But with all I've heard and all I've seen
I'm still lost in your mystery

Staring at each other with accusing eyes keep our voices low

Don't act surprised if the word gets out

Yeah that's alright

Don't you know that one cold word is going to lead to another
