Hobo, You Can't Ride This Train

Par Louis Armstrong

Album : The Platinum Collection

I bet there's a lotta hoboes Lord set on them rods

Even A-number one and all 'em cats, yeath man

All aboard for Pittsburgh, Harrisburg oh all the burgs

Hobo, you can't ride this train

Now I'm the brakeman and I'm a tough man

I ain't jokin' you, can't ride this train

Boys, you ain't so bad

After all you all right with me

I think I will let you ride
