I Ain't Got Nobody

Par Louis Armstrong

Album : Ain't Misbehavin'

Yes, I ain't got nobody, baby

And there's nobody cares for me

Mm, I'm so sad and lonely, baby, yeah

Won't somebody take a chance with me?

Baby, baby, yes

I'll sing my love song, I sing it all the time

Won't some of you hot mama's run here and sorta just be mine?

Yes I, I ain't got nobody, baby, yes

Baby, nobody, nobody cares for me
