I Cover The Waterfront

Par Louis Armstrong

Album : The Complete Decca Studio Master Takes 1940-1949 (disc 1)

I cover the waterfront, I'm watching the sea

'Cause the one I love is soon coming back to me

[Incomprehensible]

I cover the waterfront in search of my love

And I'm covered by the starlight sky above

Oh, baby, here am I, patiently waiting

Hoping and longing, yearn

Where are you? Are you forgetting?

Would you remember? Would you return?

I cover the waterfront, I'm watching the sea

'Cause the one I love must soon come back to me

I cover the waterfront, I'm watching the sea

'Cause the one I love is soon coming back to me

I cover the waterfront in search of my love

And I'm covered by the starlight sky above

Oh, baby, here am I, patiently waiting

Hoping and longing, [Incomprehensible]

Where are you? Are you forgetting?

Would you remember? Would you return?

I cover the waterfront, I'm watching the sea

'Cause the one I love is soon coming back to me
