Buzz Me Blues

Par Louis Jordan

Album : 20th Century Masters: The Millennium Collection: The Best of Louis Jordan

When i saw you this morning, baby

Tell me why did you walk away

When i saw you this morning, baby

Tell me why did you walk away

Can't believe that you don't love me

Thought our love was here to stay

Now buzz me, baby

I'll be waiting for your call

Buzz me, buzz me, buzz me

Buzz me, baby

I'll be waiting for your call

If you forgot the number

Come on over

You won't have to call at all

I never lied to no one

I ain't gonna lie to you

When i say i'm yours forever

Every word i say is true

Buzz me, baby

I'll be waiting for your call

If you forgot the number

Come on over

You won't have to call at all

Yes, buzz me, baby

I'm like the ship that's lost at sea

Buzz me, buzz me, baby

You mean so much to me

If i ever get my arms around you

I ain't gonna let go till 1973
