Kick You When You're Down

Par Machine Head

Album : Supercharger (Ltd. Ed.) [+4 Bonustracks] [DIGIPACK]

Come on!

Love for my love, hate for my hate

Strength for my strength and pain for my pain

Pride for my pride, match it inside

Trust that I find in you

But it's hard and it's brutal, it's nasty and rude

And it's dirty and mean

When they treat you like yesterday's news

They want to keep us all downtown, frowned, underground

But no one is keeping me down, fuck no

I'll keep my head high

'Cause they will always kick you when you're down

Life for my life, soul for my soul

Truth for my truth and heart for my heart

Drive for my drive, match it inside

Fight for this fight and don't you ever

Never give up, give up

You gotta play like a master of chess

It's a long road and it's a mental endurance stress test

Sometimes you fight and you win

Sometimes you fight and you lose

It's the fighter in you not to lose

So keep your head high

'Cause they will always kick you when you're down

You have to trust in yourself

You must believe in yourself

You have to follow your heart

You overcome, improve, endure

You have to trust in yourself

You must believe in yourself

You have to follow your heart

You overcome, improve, endure

Love for my love, hate for my hate

Strength for my strength and pain for my pain

Pride for my pride, match it inside

Keep up the drive and fight the fight

Because some shit ain't right

Don't lose our sight

Get our head right

Shine our star too bright

Nothing in life is for sure

It's just a gamble so play it for all that it's worth

And don't forget to keep our heads high

'Cause they will always kick you when you're down

(They will always kick you when you're down)

And don't you let their kicking get you down

You have to trust in yourself

You must believe in yourself

You have to follow your heart

You overcome, improve, endure

You have to trust in yourself

You must believe in yourself

You have to follow your heart

You overcome, improve, endure

You have to trust in yourself

You must believe in yourself

You have to follow your heart

You overcome, improve, endure

You have to trust in yourself

You must believe in yourself

You have to follow your heart

You overcome, improve, endure

You have to trust in yourself

You must believe in yourself

You have to follow your heart

You overcome, improve, endure

(You have to trust in yourself)

(You must believe in yourself)

(You have to follow your heart)

(You overcome, improve, endure)

(You have to trust in yourself)

(You must believe in yourself)

(You have to follow your heart)

(You overcome, improve, endure)
