# Driving in My Car (2009 Remaster)

Par Madness

*Album : Full House - The Very Best of Madness*

I've been driving in my car

It's not quite a Jaguar

I bought it in Primrose Hill

From a bloke from Brazil

It was made in '59

In a factory by the Tyne

It says 'Morris' on the door

The GPO owned it before

I drive in it for my job

The governor calls me a slob

But I don't really care

Give me some gas and the open air

It's a bit old but it's mine

I mend it in my spare time

## Just last week I changed the oil

The rocker valves and the coil

## Just last week I changed the oil

Last week it went 'round the clock

I also had a little knock

I dented somebody's fender

He'll learn not to park on a bender

Ha-ha-ha

## I've been driving in my car

## It don't look much but I've been far

I drive up to Muswell Hill

I've even been to Selsey Bill

I drove along the A45

I had her up to 58

This copper stopped me the other day

You're mistaken what could I say?

The tyres were a little worn

They were okay I could have sworn

## I like driving in my car

## I'm satisfied I've got this far

I like driving in my car

It don't look much but I've been far

I like driving in my car

Even with a flat tyre

I like driving in my car

It's not quite a Jaguar

I like driving in my car

I'm satisfied I've got this far
