Ray Of Light

Par Madonna

Album : Ray Of Light Remixes

Zephyr in the sky at night I wonder

Do my tears of mourning sink beneath the sun

She's got herself a universe gone quickly

For the call of thunder threatens everyone

And I feel like I just got home

And I feel

And I feel like I just got home

And I feel

Faster than the speeding light she's flying

Trying to remember where it all began

She's got herself a little piece of heaven

Waiting for the time when Earth shall be as one

And I feel like I just got home

And I feel

And I feel like I just got home

And I feel

Quicker than a ray of light

Quicker than a ray of light

Quicker than a ray of light

Zephyr in the sky at night I wonder

Do my tears of mourning sink beneath the sun

She's got herself a universe gone quickly

For the call of thunder threatens everyone

And I feel

Quicker than a ray of light

Then gone for

Someone else will be there

Through the endless years

She's got herself a universe

She's got herself a universe

She's got herself a universe

And I feel

And I feel

And I feel like I just got home

And I feel

Quicker than a ray of light she's flying

Quicker than a ray of light I'm flying
