This used to be my playground (Long version)

Par Madonna

Album : CD Single Collection (CD 5)

This used to be my playground

This used to be my childhood dream

This used to be the place I ran to

Whenever I was in need of a friend

Why did it have to end?

And why do they always say?

Don't look back

Keep your head held high

Don't ask them why because life is short

And before you know you're feeling old

And your heart is breaking

Don't hold on to the past

Well that's too much to ask

This used to be my playground (ah used to be)

This used to be my childhood dream

This used to be the place I ran to

Whenever I was in need of a friend

Why did it have to end?

And why do they always say?, no regrets

But I wish that you were here with me

Well then there's hope yet

I can see your face in our secret place

You're not just a memory

Say goodbye to yesterday

Those are words I'll never say (I'll never say)

This used to be my playground (used to be)

This used to be our pride and joy

This used to be the place we ran to

That no one in the world could dare destroy

This used to be our playground (used to be)

This used to be our childhood dream

This used to be the place we ran to

I wish you were standing here with me

This used to be our playground (used to be)

This used to be our childhood dream

This used to be the place we ran to

The best things in life are always free

Wishing you were here with me
