Kiss and Say Goodbye

Par Manhattans

Album : The All Time Greatest R&B of the Last 3 Decades

This has got to be the saddest day of my life

I called you here today for a bit of bad news

I won't be able to see you anymore

Because of my obligations and the ties that you have

When you turn and walk away, don't look back

I wanna remember you just like this

Let's just kiss and say goodbye

I had to meet you here today

There's just so many things to say

Please don't stop me till I'm through

This is something I hate to do

We've been meeting here so long

I guess what we done, oh was wrong

Please darling, don't you cry

Let's just kiss and say goodbye

Many months have passed us by

I'm gonna miss you, I can't lie

I've got ties and so do you

I just think this is the thing to do

It's gonna hurt me, I can't lie

Maybe you'll meet, you'll meet another guy

Understand me, won't you try, try, try, try, try, try, try

Let's just kiss and say goodbye

Hmm [(I'm gonna miss you)]

I'm gonna miss you, I can't lie

Understand me, won't you try

It's gonna hurt me, I can't lie

Take my handkerchief, wipe your eyes

Maybe you'll find, you'll find another guy

Let's kiss and say goodbye, pretty baby

Please, don't you cry

Understand me, won't you try

Let's just kiss and say goodbye
