Thank God I Found You

Par Mariah Carey Feat. Joe & 98 Degrees

Album : Greatest Hits [Disc 2]

I would give up everything

Before I'd separate myself from you

After so much suffering

I've finally found a man that's true

I was all by myself for the longest time

So cold inside

And the hurt from the heart it would not subside

I felt like dyin' until you saved my life

Thank God I found you, I was lost without you

My every wish and every dream somehow became reality

When you brought the sunlight, completed my whole life

I'm overwhelmed with gratitude 'cause baby, I'm so thankful I found you

I would give you everything

There's nothing in this world I wouldn't do

To ensure your happiness

I'll cherish every part of you

Because without you beside me I can't survive

I don't wanna try

If you're keeping me warm each and every night

I'll be all right 'cause I need you in my life

Thank God I found you

(I'm begging you)

I was lost without you

(So lost without you)

My every wish and every dream

(Every dream, every dream)

Somehow became reality

When you brought the sunlight

(Brought the sunlight)

Completed my whole life

I'm overwhelmed with gratitude 'cause baby, I'm so thankful I found you

See I was so desolate before you came to me

Looking back, I guess it shows that we were destined to shine

After the rain to appreciate, and care for what we have

And I'd go through it all over again to be able to feel this way

Thank God I found you

I was lost without you

(Lost without you, baby)

My every wish and every dream somehow became reality

When you brought the sunlight

Completed my whole life

(Whole life)

I'm overwhelmed with gratitude, sweet baby, I'm so thankful I found you

Thank God I found you, I was lost without you

I'm overwhelmed with gratitude, my baby, I'm so thankful I found you

I'm overwhelmed with gratitude, my baby, I'm so thankful I found you
