Supernatural

Par Mariah Carey

Album : Me. I Am Mariah...The Elusive Chanteuse (Deluxe)

You make the beat

You make the beat go

You make the beat

You make the beat go

Our love is supernatural

Hey baby, actually I'm for sure

It's forever

Talking 'bout I love you

Got me lost in the clouds

Slowly, keep me here always

You're the only thing that's true

Beautiful as the sun

Shadows of my new baby

Our love is supernatural

Hey baby, actually I'm for sure

It's forever

Talking 'bout I love you

Baby, communicate without saying a word

Heavenly, it's more than a state of mind

Now that you're in my life

And you

Beautiful as you lay

All my tears dissipate, 'cause

Our love is supernatural

Hey baby, actually I'm for sure

It's forever

Talking 'bout I love you

You make the beat

You make the beat go

Beautiful as you lay

All my tears dissipate

'Cause our love is supernatural

Hey baby, actually I'm for sure

It's forever

Talking 'bout our love

You make the beat

You make the beat go

On and on and on and on

I like it, I got you

What are you?

I know you are, darling
