Par Marilyn Manson

*Album : marlin manson the golden age of grotesque*

All our monkeys have monkeys

We drive our deathcrush diamond Jaguar Limosines

We're not fantastic motherfuckers, but we play them on TV

**It's a dirty word Reich, say what you like**

**It's a dirty word Reich, say what you like**

**We're the low Art Gloominati, and we aim to depress**

**The scabaret sacrilegends**

**This is the Golden Age of Grotesque**

## **This is the Golden Age of Grotisque**

The devils are girls with Van Gogh's missing ear

You say what you want but filth is all that they hear

I've got the jigger to make all you bigger

Ladies und gentlemen

So drop your pissroom mate, and make sure you're not late

You tramps and lunatics

Here's a trick that's gonna make you click

## **We're the low Art Gloominati, and we aim to depress**

Hellzapoppin, open your third nostril

Put on your black face, and your god is gone
