Vodevil

Par Marilyn Manson

Album : The Golden Age Of Grottesque

I wake up everyday, the wrong side of the bed

I won't lay down on the floor like I'm the whore in your head

Call me a failure, pretender, sex offender, infector

Say I killed all my friends, and I deserve to be dead

Kiss, baby, kiss

Bang, baby bang

Suck, baby, suck

It's Vodevil

Kiss, baby, kiss

Bang, baby bang

Suck, baby, suck

It's Vodevil

This isn't music, and we're not a band

We're five middle fingers on a motherfucking hand

This isn't music, and we're not a band

We're five middle fingers on a motherfucking hand

I won't pull out, I just came

I want all of the blame

Your love is too faithless

No concept of pain, no right to complain

All you fagazine senile teens draw me blackball me

DJ yourself away

Turn your back, it will be easier to stab

Kiss, baby, kiss

Bang, baby bang

Suck, baby, suck

It's Vodevil

Kiss, baby, kiss

Bang, baby bang

Suck, baby, suck

It's Vodevil

This isn't music, and we're not a band

We're five middle fingers on a motherfucking hand

This isn't music, and we're not a band

We're five middle fingers on a motherfucking hand

VIP ADD TRD violent shiny hate crime

Total requested dead

It's version pointless for this downloadable suicide

The only ones left standing are the ones not demanding

This isn't a show, this is my fucking life

I'm not ashamed, you're entertained

But I'm not a puppet

I am a grenade

I'm not ashamed, you're entertained

But I'm not a puppet

I am a grenade

Kiss, baby, kiss

Bang, baby bang

Suck, baby, suck

It's Vodevil

Kiss, baby, kiss

Bang, baby bang

Suck, baby, suck

It's Vodevil

This isn't music, and we're not a band

We're five middle fingers on a motherfucking hand

This isn't music, and we're not a band

We're five middle fingers on a motherfucking hand
