# Golden Heart

Par Mark Knopfler

*Album : Mark Knopfler Greatest Hits*

She was swinging by the Bangles in a main street store

A while before we met

The most dangerous angles that you ever saw

She spied her amulet

And she took a loop of leather from around her neck

And that was then the start

The most dangerous lady on her quarter deck

She found her golden heart

You found your golden heart

Then we swirled around each other and the thread was spun

To some Arcadian band

I would stop it from swinging like a pendulum

Just to hold time in my hand

And you shot me with a cannonball of history

And long forgotten art

I'd be turning it over as our words ran free

**I'd hold your golden heart**

**I'd hold your golden heart**

**Nothing in the world prepared me for your heart, your heart**

**Nothing in the world that I love more, your heart, your heart**

**Your golden heart**

**Your golden heart**

**Your golden heart**

**Your golden heart**

**Your golden heart, golden heart**

And every time I'm thinking of you from a distant shore

And all the time I sleep

I will have a reminder that my baby wore

A part of you to keep

And I'll send you all my promises across the sea

And while we are apart

I will carry the wonder that you gave to me

**I'll wear your golden heart**

**I'll wear your golden heart**

Nothing in the world prepared me for your heart, your heart

Nothing in the world that I love more, your heart, your heart

Your golden heart

Your golden heart

Your golden heart

Your golden heart

Your golden heart, golden heart

Golden heart

Your golden heart

Your golden heart
