Par Masterboy

*Album : The Best Of Eurodance FHDM 90's - Vol.10 (Remastered)*

Where is the love, who shoes me a faction

Where is the love, where lies my attraction

Where is the love, that touched my heart

Where is the love, I'm ready to start

**Give me all Your love to me**

**Give me give me all Your love!**

I feel the love... I need satisfaction

I feel the love... I need a reaction

I feel the love... The beat of my heart

I feel the love... I'm ready to start

**Hip to the Hop**

**To the hit to the top**

**From the rain come again**

**Rigi rain digi bang**

To the rap to the rock

To the step to the pop
