If You're Gone (Live)

Par Matchbox 20

Album : Matchbox 20

I think I've already lost you

I think you're already gone

I think I'm finally scared now

You think I'm weak, I think you're wrong

I think you're already leavin'

Feels like your hand is on the door

I thought this place was an empire

Now I'm relaxed, I can't be sure

And I think you're so mean, I think we should try

I think I could need this in my life, and

I think I'm scared, I think too much

I know it's wrong, it's a problem I'm dealin'

If you're gone, maybe it's time to come home

There's an awful lot of breathin' room, but I can hardly move

If you're gone, baby, you need to come home, come home

There's a little bit of somethin' me in everything in you

I bet you're hard to get over

I bet the room just won't shine

I bet my hands I can stay here

And I bet you need more than you mind

And I think you're so mean, I think we should try

I think I could need this in my life

I think I'm just scared that I know too much

I can't relate and that's a problem I'm feelin'

If you're gone, maybe it's time to come home

There's an awful lot of breathin' room, but I can hardly move

If you're gone, baby, you need to come home, come home

There's a little bit of somethin' me in everything in you

I think you're so mean, I think we should try

I think I could need this in my life, and

I think I'm scared, do I talk too much?

I know it's wrong, it's a problem I'm dealin'

If you're gone, and maybe it's time to come home

Well, there's an awful lot of breathin' room, but I can hardly move

Well, if you're gone, hell, baby, you need to come home, come home

There's a little bit of somethin' me in everything in you

(Somethin' in me)

Everything in

(Somethin' in me in)

In you
