03. So Easy

Par Matt Andersen

Album : Weightless

jane cuts photos from a magazine
of girls from the catwalks and the silver screen
she wishes that she could look like them
everybody turning, when she walked in
it's so easy, it's so easy
it's so easy to want what we don't have
he sees the neighbours across the road
the car that they're driving and the house they own
he wishes, that he could live like them
they never have to worry
about the money they spend
open your eyes, you will find
you've got everything you'll need
you've got someone to love
someone who loves you
you 've got all you're ever gonna need

i'm no different, i've done the same

forgot about living,

while i was playing the game

no more wishing

that i could be like them

i'm perfectly happy, just where i am
