# That Girl

Par Maxi Priest

*Album : DJ Mix '97, Vol. 2*

The girl has got the touch

What she got is a little something

That kind of girl

Maxi Priest just make them know, yeah

She's the kind of woman who let's you know

When she knows what she wants she won't let go

Takes you to a place of your fantasy

Walks you to the door but she holds a key

**That girl, ooh, that kind of girl (gangsta kind of lover)**

That girl, ooh, that kind of girl (smooth type of girl)

No matter who you are or what you do

She knows how to click in everything you do

She can make you hot when it's cold outside

Take you on a high, even make you fly

**That girl, ooh, that kind of girl (gangsta kind of lover)**

## That girl, ooh, that kind of girl

she's outspoken, I'm heartbroken

Just the kind of girl to keep my love life rolling

## She's outspoken, I'm heartbroken

Just the kind of girl to keep my that, that, that girl

To make you break your silence and speak

Just a glimpse upon the silhouette, my knees get weak

Mh-mmh baby baby so unique

A reggaemantic lover, lover make her life complete

That girl, ooh, that kind of girl (that kind of lover)

That girl, ooh, that kind of girl (say what)

She's the kind of woman who knows the street

And even under pressure she's smooth and sweet

No complications just attitude

Believes in what she's got and she won't get used

That girl, ooh, that kind of girl (sexy kind of lover)

## That girl, ooh, that kind of girl

Well, I'm weak to her touch

So vulnerable to her blush, love struck

That girl I got an instant crush

You can call me a lush, infatuation or just lust

The girl possess the stuff to make the man them, oh, ah

Holy Moses, Lord it could have been me

Caught up in this trap I didn't wanna be (I know)

But I ain't no fool I was one step ahead (yeah)

I had to let go cause I was over my head

### **That girl, ooh, that kind of girl (gangsta kind of lover)**

That girl ooh that kind of girl

('Cause she's a Shaggy kind of girl)

That girl ooh (I gotta let her know)

That kind of girl (sexy kind of lover)

That girl ooh (let them know)

That kind of girl (Maxi kind of girl)

Say she's outspoken, I'm heartbroken

Just the kind of girl to keep my love life flowin'

### **She's outspoken, I'm heartbroken**

She's the kind of girl to keep my that, that girl

That girl ooh, I got to let her know (that kind of girl)

She's the kind of girl that captivates your soul (that kind of girl)

That kind of girl (a rude girl type of lover, chuh)

that girl ooh, that kind of girl

(Shaggy and Maxi Priest definitely deh pon on di girls dem case)

that girl ooh (that girl) that kind of girl
