Paradise By The Dashboard Light

Par Meat Loaf

Album : Bat Out of Hell Live With The Melbourne Symphony Orchestra

Well I remember every little thing

As if it happened only yesterday

Parking by the lake

And there was not another car in sight

And I never had a girl

Looking any better than you did

And all the kids at school

They were wishing they were me that night

And now our bodies are oh so close and tight

It never felt so good, it never felt so right

And we're glowing like the metal on the edge of a knife

Glowing like the metal on the edge of a knife

C'mon! Hold on tight!

C'mon! Hold on tight!

Though it's cold and lonely in the deep dark night

I can see paradise by the dashboard light

Ain't no doubt about it

We were doubly blessed

'Cause we were barely seventeen

And we were barely dressed

Ain't no doubt about it

Baby got to go and shout it

Ain't no doubt about it

We were doubly blessed

'Cause we were barely seventeen

And we were barely dressed

Baby don't you hear my heart

You got it drowning out the radio

I've been waiting so long

For you to come along and have some fun

Well I gotta let you know

No, you're never gonna regret it

So open up your eyes I got a big surprise

It'll feel all right

Well I wanna make your motor run

And now our bodies are oh so close and tight

It never felt so good, it never felt so right

And we're glowing like the metal on the edge of a knife

Glowing like the metal on the edge of a knife

C'mon! Hold on tight!

Well c'mon! Hold on tight!

Though it's cold and lonely in the deep dark night

I can see paradise by the dashboard light

Though it's cold and lonely in the deep dark night

(Lonely in the deep dark night)

Paradise by the dashboard light

You got to do what you can

And let Mother Nature do the rest

Ain't no doubt about it

We were doubly blessed

'Cause we were barely seventeen

And we were barely-

We're gonna go all the way tonight, we're gonna go all the way and tonight's the night

We're gonna go all the way tonight we're gonna go all the way and tonight's the night

We're gonna go all the way tonight we're gonna go all the way and tonight's the night

We're gonna go all the way tonight we're gonna go all the way and tonight's the night

OK, here we go, we got a real pressure cooker going here

Two down, nobody on, no score, bottom of the ninth

There's the windup, and there it is, a line shot up the middle

Look at him go. This boy can really fly!

He's rounding first and really turning it on now

He's not letting up at all, he's gonna try for second

The ball is bobbled out in center

And here comes the throw, and what a throw!

He's gonna slide in head first, here he comes, he's out!

No, wait, safe - safe at second base

This kid really makes things happen out there

Batter steps up to the plate

Here's the pitch and he's going, and what a jump he's got

He's trying for third, here's the throw, it's in the dirt - safe at third!

Holy cow, stolen base! He's taking a pretty big lead out there

Almost daring him to try and pick him off

The pitcher glances over, winds up, and it's bunted

Bunted down the third base line, the suicide squeeze is on!

Here he comes, squeeze play, it's gonna be close

Here's the throw, here's the play at the plate

Holy cow, I think he's gonna make it!

Stop right there!

I gotta know right now!

Before we go any further!

Do you love me?

Will you love me forever?

Do you need me?

Will you never leave me?

Will you make me so happy for the rest of my life?

Will you take me away and will you make me your wife?

Do you love me?

Will you love me forever?

Do you need me?

Will you never leave me?

Will you make me happy for the rest of my life?

Will you take me away and will you make me your wife?

I gotta know right now

Before we go any further

Do you love me?

Will you love me forever?

Let me sleep on it

Baby, baby let me sleep on it

Let me sleep on it

I'll give you an answer in the morning

Let me sleep on it

Baby, baby let me sleep on it

Let me sleep on it

I'll give you an answer in the morning

Let me sleep on it

Baby, baby let me sleep on it

Let me sleep on it

I'll give you an answer in the morning

I gotta know right now

Do you love me?

Will you love me forever?

Do you need me?

Will you never leave me?

Will you make me so happy for the rest of my life?

Will you take me away and will you make me your wife?

I gotta know right now!

Before we go any further

Do you love me?

And will you love me forever?

What's it going to be boy?

C'mon I can wait all night

What's it gonna be boy? Yes or no?

What's it gonna be boy?

Yes or no?

Let me sleep on it

Baby, baby let me sleep on it

Well let me sleep on it

I'll give you an answer in the morning

I gotta know right now!

Do you love me? (let me sleep on it)

Will you love me forever? (Baby baby, let me sleep on it) do you need me?

Will you never leave me?

Will you make me so happy for the rest of my life? (Let me sleep on it)

Will you take me away, will you make me your wife? (I'll give you an answer in the morning)

I gotta know right now

Before we go any further

Do you love me? Will you love me forever?

Let me sleep on it! (will you love me forever?)

Let me sleep on it! (will you love me forever?)

I couldn't take it any longer, Lord I was crazed
And when the feeling came upon me like a tidal wave
Started swearing to my god and on my mother's grave
That I would love you to the end of time
I swore I would love you to the end of time!

So now I'm praying for the end of time
To hurry up and arrive
'Cause if I gotta spend another minute with you
I don't think that I can really survive
I'll never break my promise or forget my vow
But God only knows what I can do right now
I'm praying for the end of time
It's all that I can do
Praying for the end of time
So I can end my time with you!

Well it was long ago and it was far away
And it was so much better that it is today
Well it was long ago and it was far away (it never felt so good)

And it was so much better that it is today (it never felt so right, and it was glowing like the metal)

It was long ago and it was far away (on the edge of a knife, it never felt so good)

And it was so much better that it is today (it never felt so right, and it was glowing like the metal)

Well it was long ago and it was far away (on the edge of a knife, it never felt so good)

And it was so much better that it is today (it never felt so right, and it was glowing like the metal)

Well it was long ago and it was far away (on the edge of a knife, it never felt so good)

And it was so much better that it is today (it never felt so right, and it was glowing like the metal)

Well it was long ago and it was far away (on the edge of a knife, it never felt so good)

And it was so much better that it is today (it never felt so right, and it was glowing like the metal)

It was long ago and it was far away (on the edge of a knife, it never felt so good)

And it was so much better that it is today (it never felt so right, and it was glowing like the metal)
