# Psychotron

Par Megadeth

*Album : Countdown to Extinction*

Assassin in stealth, assailant from Hell

Impervious to damage

Computer on-board, engaged in a war

Non-stop combatant

Maybe not a mutant

**Maybe a man?**

**Part bionic and organic**

**Not a cyborg**

**Part bionic and organic**

**Not a cyborg, call him Psychotron (Psychotron, Psychotron)**

Burning inside, godspeed in glide

Battle plan running

A killing machine, just downright mean

And forever gunning

Maybe not (Maybe not) a mutant

**Maybe a man?**

**Part bionic and organic**

**Not a cyborg**

**Part bionic and organic**

**Not a cyborg, call him Psychotron (Psychotron, Psychotron)**

**Part bionic and organic**

**Not a cyborg**

**Part bionic and organic**

**Not a cyborg, call him Psychotron (Psychotron, Psychotron)**

Target to destroy, arms in employ

Full assault fire threat

Sensors indicate, you will terminate

Life systems disconnect

**Part bionic and organic**

**Not a cyborg**

**Part bionic and organic**

**Not a cyborg, call him Psychotron (Psychotron, Psychotron)**

**Part bionic and organic**

**Not a cyborg**

**Part bionic and organic**

**Not a cyborg, call him Psychotron (Psychotron, Psychotron)**
