My Kind Of Present

Par Meghan Trainor

Album : A Very Trainor Christmas (Deluxe)

(You, you) You're my kind of present

(Yeah you, you)

You're my kind of present

(You're my) You're my, my angel from Heaven

So go and tell Santa

Don't bring me nothin'

You and me for the holiday

Sittin' by the fire, caroling

Don't buy me anything

Just put your hands all over me

'Cause you, I want you

Yeah you, only you

I know what you should do

On this Christmas, come through

(Whoa) So baby (baby)

Yeah, don't say maybe (maybe)

'Cause I don't care 'bout your money

I've been kinda lonely

I know that you want me

And, baby, I want you

(You, you) You're my kind of present

(Yeah you, you)

You're my kind of present

(You're my) You're my, my angel from Heaven

So go and tell Santa

Don't bring me nothin'

My family adores you

They cooked extra for you

This party can't start without you

'Cause you bring them good vibes

Stay with me all night

I know what you should do

For this Christmas, come through

(Whoa)

So, baby (baby)

Yeah, don't say maybe (maybe)

'Cause I don't care 'bout your money

I been kinda lonely

I know that you want me

And, baby, I want you

(You, you) You're my kind of present

(Yeah you, you)

You're my kind of present

(You're my) You're my, my angel from Heaven

So go and tell Santa

Don't bring me nothin'

Oh, baby (shoo-wop shoo-wah, shoo-wop shoo-wah)

Yeah, don't say maybe (shoo-wop shoo-wah, shoo-wop shoo-wah)

(Shoo-wop shoo-wah, shoo-wop shoo-wah)

'Cause I don't care 'bout your money

I been kinda lonely

And I know that you want me

And, baby, I got you

(You) You're my kind of present

(Yeah you, you) You're my kind of present

(You're my) You're my, my angel from Heaven

So go and tell Santa

Don't bring me nothin'

Baby, I got you

Ooh, ooh, ooh, ooh, ooh, ooh

And you're my, my angel from Heaven

So go and tell Santa

Don't bring me nothin'
