# Respectable

Par Mel & Kim

*Album : 1987 B*

Respectable

Respectable

Respectable

Respectable

Take, take, take, take, take-take, t-t-take, take

Take or leave us, only please believe us

We ain't never gonna be respectable

It's a occupation, we're a dancing nation

We keep the pressure on every night

Explanations are complications

We don't need to know the "Where?" or "Why?"

**Take, take, take, take, take-take, t-t-take, take**

Taking chances, bold advances

Don't care if you think we're out of line

Conversation is interrogation

Get out of here, we just don't have the time

**Take, take, take, take, take-take, t-t-take, take**

**Take or leave us, only please believe us**

**We ain't never gonna be respectable (respectable)**

**Like us, hate us, but you'll never change us**

**We ain't never gonna be respectable (respectable)**

**Respectable**

**Respectable**

**Respectable**

Hesitation is just frustration

Give us the music and we're alright

On each occasion, for your information

We can look after ourselves alright

**Take, take, take, take, take-take, t-t-take, take**

**Take or leave us, only please believe us**

**We ain't never gonna be respectable (respectable)**

**Like us, hate us, but you'll never change us**

**We ain't never gonna be respectable (respectable)**

**Respectable**

Respectable (ahahaha)

**Respectable**

Fascination is our sensation

We like to put ourselves on the line

Recreation is our destination

So, don't wait up for us tonight

**Take, take, take, take, take-take, t-t-take, take**

**Take or leave us, only please believe us**

**We ain't never gonna be respectable (respectable)**

**Like us, hate us but you'll never change us**

**We ain't never gonna be respectable (respectable)**

**Take or leave us, only please believe us**

**We ain't never gonna be respectable (respectable)**

**Like us, hate us but you'll never change us**

**We ain't never gonna be respectable (respectable)**

**Take or leave us, only please believe us**

**We ain't never gonna be respectable**
