Shade Tree (Fix-It-Man)

Par Merle Haggard

Album : 1962 - 1965

(Merle Haggard)

Yeah, I'm a shade tree fix-it man

I don't need any helping hand

I'm a Jack-of-all-trades when I'm workin' in the shade

I'm a shade tree-fix-it man.

Well, I headed out of west from Arkansas

My Ruby ran fine for a while

Then a rock started knockin' a guage started rockin'

She wouldn't run another mile.

But on that downhill drag I coasted for awhile

Till I found me a shady inn

I started huffin' and a puffin', started a frettin' and a sweatin'

But I soon had her runnin' again.

'Cause I'm a shade tree fix-it man

I don't need any helping hand

I'm a Jack-of-all-trades when I'm workin' in the shade

I'm a shade tree-fix-it man.

--- Instrumental ---

'Bout noon the next day I was back on the road

I had her running on out

While I was wheelin' and a dealin' I got a funny feelin'

If my baby kinda felt this doubt.

Oh, I found me a shade by the side of the road

I fixed everything up fine

With a little bit of lovin' in a few minutes later

We was rolling on down the line.

Cause I'm a shade tree fix-it man

I don't need any helping hand

I'm a Jack-of-all-trades when I'm workin' in the shade

I'm a shade tree-fix-it man.

One more time I'm a shade tree fix-it man

I don't need any helping hand

I'm a Jack-of-all-trades when I'm workin' in the shade

I'm a shade tree-fix-it man.

Yeah, I'm a shade tree fix-it man

I don't need any helping hand

I'm a Jack-of-all-trades when I'm workin' in the shade

I'm a shade tree-fix-it man...
