Nebulous

Par Meshuggah

Album : Nothing (2019 Remastered)

Drowned in this screaming silence

Embraced by shadows, they tear me

The wormholes free my eyes

The blood boils - it knows

My thoughts burn as minds liquefy, vaporize

Reality scorched by this fixed state

All beginnings slain by ends

I seep down into the black to breathe

Drifting to merge with the past

My tongue licks the residue of the future

Bitter taste, the wombs of claws call me

Filth rips them open. The stillborn start to move

Lidless eyes twitching beneath a sheet of rot

They reach out, they want to kiss - It matters not

In dreams it speaks to me of the truth that means

Reality
