Damage Case (live Los Angeles 1995)

Par Metallica

Album : Hero Of The Day (CDMS, SRCS 8135)

Hey babe, don't act so scared
All I want is some special care
On the run from some institution
All I want is some constellation
And I can tell by your face
I'm a total disgrace
Put me inside this place

Move over for a damage case

Hey baby, wait a minute, stop
Don't run away, don't call a cop
I ain't lookin' to victimize you
All I want to do is tantalize you

I can tell by your face

I'm all over the place

I can tell by your face

Got no time for a damage case

No time, baby

Hey babe, turn away

Here tomorrow, gone today

I don't know what you think your game is

I don't care if even what your name is

And I can tell by this face

You're all over the place

I can tell by your face

Move over for a damage case

Get the fuck over, man
