Motorbreath-No Life 'Til Leather Demo

Par Metallica

Album : Covering 'Em (Import.Italy/Japan)

Yessir

This next song, this is the last one

Thank you for coming to see us

It's great to see you again

This next song is dedicated to the road crew

Who are making three shows in one day happen

Hey, hey, hey, hey, hey, hey

(Hey, hey, hey, hey, hey, hey)

Living and dying, laughing and crying

Once you have seen it you'll never be the same

Life in the fast lane is just how it seems

Hard and it's heavy, it's dirty and mean

Yeah

Motorbreath, it's how I live my life

I can't take it any other way

Motorbreath, the sign of living fast

It is going to take your breath away

Come on

Hey, hey, hey, hey

Don't stop for nothing, it's full speed or nothing

I'm taking down, you know, whatever's in my way

Getting your kicks, you're shooting the line

Sending the shivers up and down my spine

Yeah

Motorbreath, it's how I live my life

I can't take it any other way, hah

Motorbreath, the sign of living fast

It is going to take your breath away

Paris

Hey, hey, hey

Woah

Don't stop for nothing, it's full speed or nothing

Live your examine than what life's about

You only live once, so take hold of the chance

Don't end up like others, the same fucking dance

Yeah

Ooh, Motorbreath, it's how I live my life

I can't take it any other way, no

Motorbreath, the sign of living fast

It is going to take your breath away

Motherfucker, yeah

Hey, hey

Oh yeah

Thank you, Paris

Metallica loves you, thank you

Merci beaucoup
