# My Apocalypse

Par Metallica

*Album : 30th Anniversary Shows (San Francisco, CA 2011)*

**Claustrophobic**

Crawl out of this skin

**Heart explosive**

**Reach in, pull that pin**

Fear thy name, extermination

Desecrate inhale the fire

**So we cross that line**

**Into the grips, total eclipse**

**Suffer unto my apocalypse**

Deadly vision, prophecy reveal

Death magnetic, pulling closer still

Fear thy name, annihilation

Desolate, inhale the fire

**So we cross that line**

**Into the grips, total eclipse**

**Suffer unto my apocalypse**

My apocalypse, go

Crushing metal, ripping skin

Tossing body, mannequin

Spilling blood, bleeding gas

Mangle flesh, snapping spine

Dripping bloody valentine

Shatter face, spitting glass

Split apart, split apart, split apart

Spit, spit it out

What makes me drift a little bit closer?

Dead man takes the steering wheel

What makes me know it's time to cross over?

**Born to repeat until I feel**

ICIBILLET.COM

See through the skin, the bones they all rattle

Future and past, they disagree

Flesh falls away, the bones they all shatter

I start to see the end in me

See the end in me

**Claustrophobic**

Climb out of this skin

**Heart explosive**

**Reach in, pull that pin**

Violate, annihilate

All wounds unto my eyes

Obliterate, exterminate

As life itself denied

Fear thy name as hell awakens

Destiny, inhale the fire

But we've crossed that line

**Into the grips, total eclipse**

**Suffer unto my apocalypse**

Tyrant awaken my apocalypse

Demon awaken my apocalypse

Heaven awaken my apocalypse

Suffer forever my apocalypse
