# Let It Snow, Let It Snow, Let It Snow

Par Michael Bublé

*Album : Let It Snow!*

Oh, the weather outside is frightful

But the fire is so delightful

And since we've no place to go

**Let it snow, let it snow, let it snow**

It doesn't show signs of stopping

**And I've brought some corn for popping**

The lights are turned way down low

Let it snow, let it snow, let it snow

When we finally kiss goodnight

How I hate going out in the storm

But if you really hold me tight

**All the way home, I'll be warm**

**The fire is slowly dying**

And my dear, we're still goodbye-ing

As long as you love me so

Let it snow, let snow, let it snow

Oh, it doesn't show signs of stopping

**And I've brought some corn for popping**

Oh, the lights are turned way down low

**Let it snow, let it snow, let it snow**

Oh, let it snow

**All the way home, I'll be warm**

**All the way home, I'll be warm**

**The fire is slowly dying**

And my dear, I'm still goodbye-ing

As long you love me so

**Let it snow, let it snow, let it snow**

**Let it snow, let it snow, let it snow**

**Let it snow, let it snow, let it snow**
