Ain't No Sunshine

Par Michael Jackson

Album : Got to Be There

You ever want something
That you know you shouldn't have
The more you know you shouldn't have it
The more you want it
And then one day you get it
It is so good too

But it is just like my girl
When she is around me
I just feel so good, so good
But right now I just feel cold, so cold
Right down to my bones

Because ooh

Ain't no sunshine when she's gone

It is not warm when she is away

Ain't no sunshine when she's gone

And she is always gone too long

Anytime she goes away

Wonder this time where she is gone

Wonder if she is going to stay

Ain't no sunshine when she is gone

And this house just is no home

Anytime she goes away

I know, I know, I know, I know

I know, know, know, know, know

I know, I know

Hey I ought to leave

I ought to leave her alone

Ain't no sunshine when she is gone

Ain't no sunshine when she's gone

Only darkness every day

Ain't no sunshine when she is gone

And this house just is no home
