Happy (Love Theme From 'Lady Sings The Blues')

Par Michael Jackson And The Jackson 5

Album : Motown's greatest hits: Michael Jackson and the Jackson 5

Sadness had been close as my next of kin

Then happy came one day

Chased my blues away

My life began when happy smiled

Sweet, like candy to a child

Stay here and love me just a while

Let sadness see what happy does

Let happy be where sadness was

Happy, that's you

You made my life brand new

Lost as a little lam was I till you came in

My life began when happy smiled

Sweet, like candy to a child

Stay here and love me just a while

Let sadness see what happy does

Let happy be where sadness was

(Till now)

Where have I been? What lifetime was I in?

Suspended between time and space

Lonely until happy came smiling up at me

Sadness had no choice but to flee

I said a prayer so silently

Let sadness see what happy does

Let happy be where sadness was till now

Till now happy, yeah yeah happy

Yeah happy, oh happy

Happy, oh yeah happy
