I Hear A Symphony

Par Michael Jackson

Album : Michael Jackson - Hello World - The Motown Solo Collection

You're givin' me true love

And everyday I thank the Lord

For a feeling that's so new

So inviting so exciting

Whenever your near, I hear a symphony

A tender melody pulling me closer, closer to your arms

Then suddenly your lips are touching mine

A feeling so divine, still I need a path because

I'm lost in a world made for you and me

Baby, baby

I hear a symphony, baby

Whenever your near, I hear a symphony

Played sweet and tenderly

Everytime your lips meet mine, my baby

Baby, baby

I feel the joy begin

Don't let this feeling end

Let it go on and on and on now, baby

Baby, baby

Those tears that filled my eyes

I cried not for myself

But for those who have never felt the joy of love

Baby, baby

Whenever your near

I hear a symphony

Each time you speak of me

I hear a tender note so sweet of love

Baby, baby

As you stand there holding me

Whispering how much you care

A thousand violins fill the air, now

Baby, baby

Don't let this moment end

Keep standing close to me

So close to me my baby, baby, baby

Baby, baby

I hear a symphony

A tender melody

I hear a symphony
