Maria (You Were The Only One) (Single Version)

Par Michael Jackson

Album : Michael Jackson - Hello World - The Motown Solo Collection

Maria, hey, hey, Maria

Maria, don't you hear me calling, Maria?

Maria, girl, you know you were the only one

Hey, hey, Maria

Maria, don't you miss me a little?

Maria, after all you were the only one

Come on back to me, Maria

Maria, come on back to me, girl

Hey, hey, Maria

Maria, it's been long, so long

Maria, since you've been gone

Hey, hey, Maria

Maria, don't you need me just a little?

Maria, 'cause honest girl you were the only one

Maria, come on back to me, Maria

Oh, come on back to me, girl

Oh, Maria

Oh, baby, I need you

Maria, oh yeah

Maria, why, why do you keep a running away?

Ooh, baby, you keep a running away

Ooh, baby

Maria, I need you, honey

Oh Maria, you sweet little sunflower

Oh, hear my plea for sympathy

I just want you here with me, Maria

Ooh, yeah, yeah

If you're on that lonely night

What's my life without you, girl

I'm so lonely, I'm so blue

Without you darling my life is through

Come on back

Maria

Ooh, baby, I need ya
